Description

Apex Camps is set on 10 acres of maintained bushland and gardens. The Camp ground includes the multi use basketball/tennis court, outdoor chapel, outdoor seating areas, open play grass areas, cricket pitch and field and bus shelter. The Camp grounds and gardens are maintained to facilitate the use of the open play areas for camps and groups

Mandatory

- All people on the Camp must wear enclosed shoes and appropriate clothing for the elements.
- All “no entry” and “out of bounds” signs must be adhered to whilst on the camp grounds.
- The carpark is out of bounds to children whilst at the Camp
- Obey all directions from Apex staff at all times
- Do not enter any areas that are fenced off
- Do not enter/use any obstacles in the Mud Pit challenge course unless it is as an Apex led activity

Group Supervision

All groups staying with Apex Camps must be accompanied by responsible adult/s for the duration of their stay. Teachers/Supervisors are responsible for controlling all behavioural issues from the camp attendees at all times.

First Aid/Accidents/Incidents/Injuries/Near Miss

Supervisors/Teachers are responsible for supplying all first aid items required during their stay. It is mandatory that all accidents/incident/injuries/near misses be reported to APEX staff and the appropriate paperwork be completed as required by APEX staff whilst on camp.

In assessing the level of risk, considerations such as the likelihood of an incident happening in combination with the seriousness of a consequence are used to gauge the overall risk level for an activity. The matrix below has been used as a guide to assist with developing the risk assessment:

Likelihood	Consequence				
	1 Insignificant	2 Minor	3 Moderate	4 Major	5 Critical
5 Almost Certain	Medium	Medium	High	Extreme	Extreme
4 Likely	Low	Medium	High	High	Extreme
3 Possible	Low	Medium	High	High	High
2 Unlikely	Low	Low	Medium	Medium	High
1 Rare	Low	Low	Low	Low	Medium

Risk Level	
Low	Little chance of incident or serious injury.
Medium	Some chance of an incident and injury requiring first aid.
High	Likely chance of a serious incident and injury requiring medical treatment.
Extreme	High chance of a serious incident resulting in highly debilitating injury.
